D. Reading		
۴/۵	<p>متن را خوانده و به سوالات آن پاسخ دهید.</p> <p>It is not surprising to hear that today about 7000 languages exist in the world. There are more than 2000 languages in Africa, 1000 in the Americas, more than 2250 in Asia, about 230 in Europe, and more than 1300 in Oceania.</p> <p>Native speakers of these languages range in number from very large, with hundreds of millions of speakers, to very small, with fewer than 10 speakers. The most popular language in the world is Chinese. More than one billion people in the world speak Chinese. Interestingly, English has fewer native speakers than Chinese, but there are about one billion learners of English all around the world. <u>They</u> learn English as an international language.</p> <p>All languages are really valuable, despite their differences. Every language is an amazing means of communication that meets the needs of its own speakers. It is impossible to imagine the world without language. Therefore, we should respect all languages, no matter how different they are and how many speakers they have.</p> <ol style="list-style-type: none"> Where can we find the most number of languages? Which language has the most native speakers? In the second paragraph, line 5, "<u>they</u>" refers to: English has around one billion native speakers. True / false Languages with very few speakers don't meet the needs of their speakers. True / false 	۱۷
۳/۵	<p>متن زیر را خوانده و به سوالات آن پاسخ دهید.</p> <p>Using technology in a wrong way has created bad habits and new types of addictions. It is not strange now to call someone an Internet or mobile addict. Technology addicts are people with serious problems to control themselves to use different kinds of technology, especially the Internet, smart phones, tablets and laptops.</p> <p>Technology addicts don't like to have relationships with other people; instead, they prefer to be alone and spend lots of their time working with their devices. This makes them depressed and impatient.</p> <ol style="list-style-type: none"> What has created new types of addictions? What is the <u>best topic</u> for the passage? <ol style="list-style-type: none"> The Use of Technology Technology and its Problems An Internet Addict These days, it is unusual to call someone a mobile addict.
